With the following responsibilities:

1. When evaluating complaints received through various channels, consider the completeness of information regarding the complaint itself, the complainant, and the party being complained about. Additionally, assess the reliability of the information provided.
2. Assign a designated person to handle complaints and follow up on the results to ensure that the issues have been effectively resolved.
3. Verify the accuracy and appropriateness of the information before disclosure to the public.

This policy shall take effect from the date hereof.

Issued on May 19, 2025

(Mr. Sanya Prasertsak)

Managing Director
